## BOOK SYNOPSIS

Renée is the concierge of a grand Parisian apartment building, home to members of the great and the good. Over the years she has maintained her carefully constructed persona as someone reliable but totally uncultivated, in keeping, she feels, with society's expectations of what a concierge should be. But beneath this façade lies the real Renée: passionate about culture and the arts, and more knowledgeable in many ways than her employers with their outwardly successful but emotionally void lives. Down in her lodge, apart from weekly visits by her one friend Manuela, Renée lives resigned to her lonely lot with only her cat for company. Meanwhile, several floors up, twelve-year-old Paloma Josse is determined to avoid the pampered and vacuous future laid out for her, and decides to end her life on her thirteenth birthday. But unknown to them both, the sudden death of one of their privileged neighbours will dramatically alter their lives forever.

**THE ELEGANCE OF THE HEDGEHOG** - Are you looking for Ebook The Elegance Of The Hedgehog? You will be glad to know that right now The Elegance Of The Hedgehog is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
